Music Play**

Carver's 75th Jubilee comes to the Madison Fire House for a luncheon featuring guest speaker, **Rev. Frank D. Lewis, Sr.**, president of the GWCRRHSAA, Madison native and pastor of the historic Antioch Baptist Church. Be delighted with three Carver 4-County Museum displays: (a) those early advocates in Madison for high school education, (b) Carver alumni John "Dykes" Hunter (Madison-born), Edward "Skip" Gordon, and others who developed their love for music at Carver and took it on the road; and (c) our 2023 calendar and traveling exhibit, ***Being A Citizen***. Enjoy music from the 1930s -1960s, door prizes, and surprises. Tell us your favorite songs and you just might hear them as you're enjoying the fellowship.
